The Center for Teaching and Learning is facilitating a Thank-a-Prof/Thank-a-TA program that invites students to send a note of thanks to their instructors. These messages are collected by CTL and forwarded automatically to faculty and TAs.

A student asked us to forward this message to you: Hi Don, I really appreciate you as a TA, both this semester and last. You were always so quick to respond and the resources you would offer outside of the course material helped a lot since it gave a different perspective on the problems. Thank you for your help!

If you have any questions or receive a note that is offensive, threatening, or otherwise inappropriate please contact CTL@utdallas.edu.
